Review: As per decided schedule, the PTA members meeting was conducted on the date and time. All members have reviewed the previous agenda and discussed the following points

Lockdown impacts: From date 16th March 2020, the lockdown due to Corona pandemic was announced and implemented by the school. So it effects the school administration and academics. Academic Result is prepared based on average scored from the first three exams viz. first periodic test, Term-1 exam and Second periodic test. Similarly it impacts the Fees collections also and the school management are facing the financial crises too. The salary of the teaching and non-teaching employees would be little bit late but paid because of the kind understanding of the management and trustees. PTA members are requested by the Principal to inform and request all parents to pay their outstanding fees as soon as possible.

Fees updates: The school is having same/ fixed fees structure as per previous year. No changes are there. Even, as per the norms of Self finance act 2012, the school is established and no authority are engaged to take any decision against the fees managements. They are not able to reduce the fees or state anything about it. Seeing the fees of the classes, that is very minimum. No change from last three years. The School provide 4-installment procedure to pay the school fees. No fees of transportation for the lockdown period. No change in uniforms and books too this year.

School reopening SOP: As per instructions to the schools governed by the Govt of Maharashtra, the schools would be opened and follows all norms for the Covid-19 pandemic issues. The school will be waiting for the school reopening dates. Online classes has been started as per guidelines of the Govt.

Admissions and withdrawals: New admission procedure has been started online only. Keeping social distance, the school Principal and administration carry on the process for smooth conduct. Mask is compulsory. School is sanitized also. TC can be applied for the withdrawal. Before withdrawal parents must pay their outstanding fees.

Requirements of benches and desk, other fixtures: The Principal has submitted the list of the desk benches requirements as per classes and strengths, he also demanded some furniture and fixture items for the next year.
